Assembly

Appliqués:

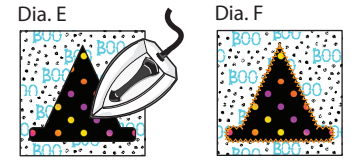

1. Trace 6 hats and 3 pumpkins on paper side of fusible web (Diagram A).

- Cut out approximately 1/4" (6.35mm) around the traced line (Diagram B).
- Place hats on the **wrong** side of dark 6" x 6" (15.24cm x 15.24cm) squares and pumpkins on the **wrong** side of orange 6" x 6" (15.24cm x 15.24cm) squares. **Note: Check motif placement and direction of prints.** Fuse to **wrong** side of fabrics (Diagram C).

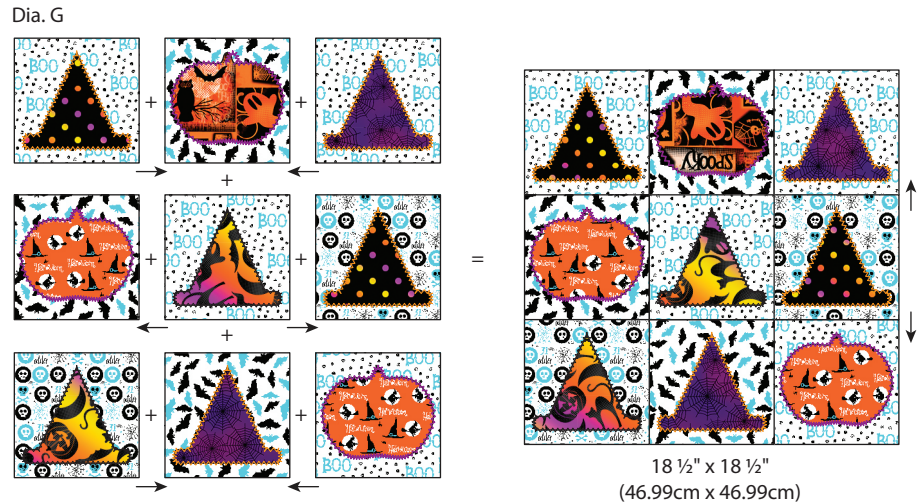

- Cut out hats and pumpkins on the drawn lines. Remove paper backing (Diagram D).
- Center on background squares, away from the 1/4" (6.35mm) seam allowance, and fuse in place (Diagram E).
- Using blanket stitch, zigzag or other decorative stitch, appliqué in place. **Note:** Use coordinating thread to match or contrasting thread for accent (Diagram F).

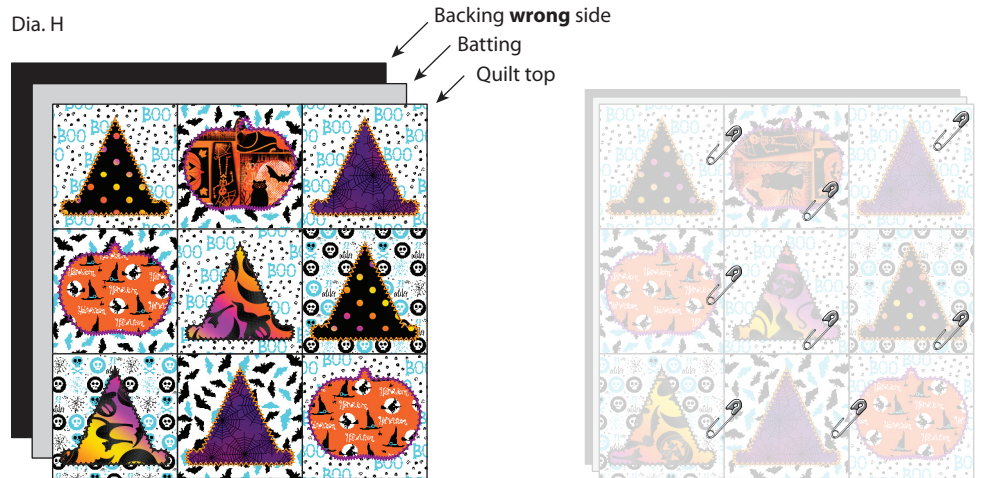

Sewing:

- Arrange squares, pin right sides together and sew together in rows. Press seams in directions of arrows so they nest together (Diagram G). Each row should measure 6 1/2" x 18 1/2" (16.51cm x 46.99cm).
- Sew rows together matching seam intersections. Press seams open or in one direction. Finished size should be 18 1/2" x 18 1/2" (46.99cm x 46.99cm).

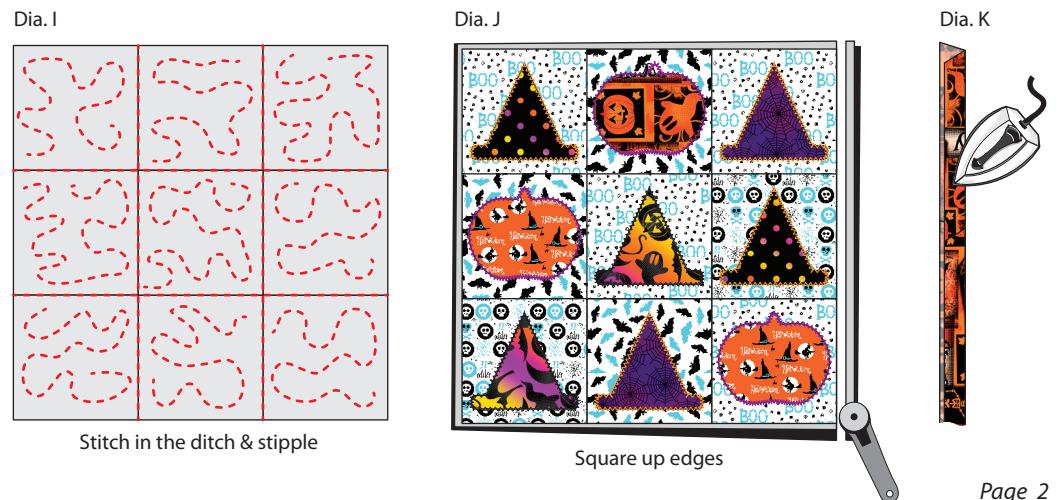

Quilting:

- Layer quilt backing (**wrong** side up), batting, and the quilt top (right side up) and baste together with pins or basting spray (Diagram H).
- Stitch in the ditch between the background pieces and around each appliqué shape. Add free motion stippling or quilt as desired (Diagram I).
- Square up and trim extra batting and batting (Diagram J).

Finishing:

- Join the binding strips, fold in half **wrong** sides together and press. Fold in 1/2" (1.27cm) at the starting edge (Diagram K).
- Starting at bottom edge of the quilt, match the cut edges and pin to quilt front.
- Sew binding on front, join ends or tuck inside to finish ends. Fold binding to back and hand stitch in place.
